## Safari Tour Details

### Tuesday

Windhoek – Sesriem / Agama (350 km) (LD) (camping)

We travel out over the Eros Mountains and along scenic roads, on our way south-west to the desert. We also pass over part of the Naukluft Mountains the Khomas Hochland range on our journey today and head down from Namibia's central plateau by way of the beautiful Remhoogte Pass.

Coming out of the mountains we reach open plains and from here it is only a short distance to our next stop, the tiny town of Solitaire. We will stop here for some refreshments before continuing on through desert scenery.

We cross some open grass savannah and farmlands before the terrain begins to give way to the immense red sand dune desert of the Namib. We aim to arrive at our camp during the late afternoon and watch the colours glow and change on distant mountains to the east.

### Wednesday

Sesriem / Agama (220km) (BLD) (Camping)

A pre dawn start is essential this morning as we want to catch the soft light of the sunrise on the desert as we drive in. We will arrive at the entrance to the dunes on sunrise and then travel through the dune field as the sun is coming up. The light casts strong contrasts of colour on the edges of the dunes and offers stunning views from the dry river bed you travel through. We reach Sossusvlei itself by walking the last 5 km through the dunes. The walk is like nothing else, enjoying the changing light and coolness of the morning. Ancient mineral pans, stunted camel thorn trees and the chance of seeing a gemsbok or maybe an ostrich make the photo opportunities perfect.

We spend the morning in and around Sossusvlei, also visiting dune 45, and as the day wears on we return to Sesriem for lunch to escape the heat of the afternoon. As the day cools off in the late afternoon we will take a short excursion to the Sesriem Canyon.

### **Thursday**

Sesriem / Agama - Windhoek (450 km) (BL)

After breakfast we begin our journey, over the mountains and along scenic roads, back to Windhoek. We will travel back by different roads, this time climbing up to Windhoek and travelling by way of the massive Gamsberg Pass in the Khomas Hochland Mountain Range on our way back to civilization.
