Wine List:

We have taken great care in selecting a Wine List we hope will complement any meal we serve. We hope it caters for all Palates and Pockets. There are a number of White Wines, Red Wines, Rose's, Sparking Wines (Red & White), Champagne's and Dessert Wines to choose from. There are too many to mention in detail here but as you will see each Wine is accompanied by taste notes and also the John Platter rating. Take your time to read through the Wine List to select the perfect Wine to accompany your meal. Several of the Wines are sold by the glass too. As you would expect most of the Wines come from South Africa and are World Class. If you would like the Restaurant Manager to recommend a wine to you please ask your Waitress to call him over, he will be more than happy to assist. We have also put together an Exclusive Wine Selection for the more discerning Wine enthusiasts, please don't overlook this selection when making your choice. Again, we hope this Wine list exceeds your expectations and if you would like to make a suggestion or comment please inform the Restaurant Manger or any of the Supervisors, we value your comments and they are most welcome.

We are proud to offer a scrumptious 4 course Daily Dinner Buffet for N\$120. This is including Soup, Salad, Home Made Pasta, 4 different Meat Dishes, Game Steaks freshly grilled in front of you, Vegetables and a selection of Desserts.
